

Attention All Teachers: Artwork entries for the Capitol Art Exhibit

Please note!

#1- All teachers...in all 6 regions.... refrain from placing identification labels touching any portion of the artwork. Reduce the tag if necessary but keep it on the matt of the work. (this is very important for the photographer, Dan Schwarten, who is doing the brochure and the DVD)

#2- Please, all teachers....check and then double check the spelling of the information on the tags (names, title, media, etc.) This is very important for doing the brochure and certificates and labeling the work on the DVD. Make sure this information is typed as some handwriting is very difficult to read.

I greatly thank you for your help in making this a very successful presentation of your talented students' artwork.
