Hand Drawing Assessment Sheet

Directions: Score yourself in each category on a scale of 1-3. 1=Lowest, 2= Average, 3=Highest

Student Score	Teacher Score	Skills	Details of Skills to be Assessed
		Effort	Did you do your personal best? Work Hard? Follow Direction?
		Proportion	Do the hands look proportionate?
		Value	Does the value create the illusion of being 3-D?
		Value	Are there at least 5 different shades of value?
		Composition	Are the hands taking up the space well? (i.e. are there large empty spaces?)
		Balance	Does the completed image have a good balance of light and dark areas?
		Neatness	All lines are clearly drawn, smudges have been erased,
		TOTAL	Comments:

Artist's Statement:

Write an artist's statement about your hand drawing using full and complete sentences. Be sure to use the elements and principles when describing your work of art. You may want to include an explanation of your work, what when well and what you would change.
