Bring Back Your Art!

Bring your art back (in the bag) and put it in the bin outside of the Art Room before school starts. We will share what you made during the next class.

Sharing the Art Room Sketchbook

1. Artwork is glued into the class sketchbook.
2. The artist presents their work following a written and visual guide (document camera).
3. We applaud the artist.
4. A new student is selected to take home the sketchbook (randomizer).
